SIJAL MANANDHAR

FRONTEND WEB DEVELOPER

I am a Front-end Web Developer skilled in building responsive and user-friendly websites and web applications. I have a passion for learning, problem-solving, and creating clean, efficient solutions. I am looking for a dynamic team where I can grow my skills and contribute to building innovative digital experiences.

SKILLS

PROGRAMMING LANGUAGES
JavaScript (ES6), TypeScript, Python, C, SQL

LIBRARIES & FRAMEWORKS
React, Node.js, MERN, Redux Toolkit, Zustand, Tailwind CSS, Django, Flask, Django REST Framework, Vue, Styled Components

TOOLS & PLATFORM
Git & Github, Netlify, Vercel, Firebase, Figma, VSCode, Pycharm, Bash, Postman, Chrome DevTools

SELECTED PROJECTS

SHOPSWIFT
A responsive e-commerce web app using MERN stack (MongoDB, Express.js, React.js, Node.js). Features include secure authentication, product management, shopping cart, and order processing for a seamless user experience. project-shopswift.netlify.app

DOCKET
Notes management app using the MERN stack (MongoDB, Express.js, React.js, Node.js). Features include secure user authentication, CRUD operations for notes, and a responsive design for both desktop and mobile. project-docket.netlify.app
